**- TWELVE TRADITIONS**

**WHAT IS THE NORTH CENTRAL WISCONSIN AREA SERVICE COMMITTEE?**

Our fellowship's primary purpose is to carry the message: "that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live." One of the primary means by which that message is carried, addict to addict, is in our meetings. These recovery meetings, conducted thousands of times each day by NA groups around the world, are the most important service offered by our fellowship.

However, while recovery meetings are NA's most important service, they are not the only means we have of fulfilling our fellowship's primary purpose. Other NA services attract the still-suffering addict to our meetings, carry our message to addicts in institutions, make recovery literature available, and provide opportunities for groups to share their experience with one another. These services require a certain degree of organization, the complexity of which could easily divert NA groups from the simplicity of holding Narcotics Anonymous meetings. These services also require more people and more money than any single group can muster on its own. How then do groups stay focused on their primary purpose and still see that these other services are developed and maintained? In the words of NA's Ninth Tradition, they "create service boards or committees directly responsible to those they serve."

The North Central Wisconsin Area Service Committee (NCWASC) was created by the NA groups in the North Central Wisconsin Area to fulfill our fellowships primary purpose by providing services on their behalf. We are a pooling place where all viewpoints are welcome so a loving Higher Power may prevail to meet the needs of the participating groups. Active participation and guidance from each group and local NA members is essential for a successful NCWASC. The NCWASC is an ongoing process of giving back what was so freely given to us.

**Section One: Name and Boundaries**

- 1.01** This body shall be known as the North Central Wisconsin Area Service Committee or referred to as the NCWASC.
- 1.02** The NCWASC shall serve the needs of member groups in its area which is inclusive of, but not limited to North Central Wisconsin.
- 1.03** This committee is a member of the Wisconsin Regional Service Committee (WRSC), and thereby a member of the NA World Service Conference (WSC).

**Section Two: Statement of Purpose**

- 2.01** Our purpose is to unify and serve the groups within the North Central Wisconsin Area; help the groups carry the message to the addict who still suffers; connect Area groups to NA as a whole; and build a sense of community among recovering addicts in the Area.

### **Section Three: Meetings**

- 3.01** All NA members are welcome to attend and may participate in discussion.
- 3.02** The NCWASC meets on the first Thursday of each month at 6pm at a location mutually agreed upon by all members.
- 3.03** Meetings in the odd months will be hosted in the central location of Stevens Point. For even months, Groups may elect to host ASC. Meeting locations for each year must be established by December of previous year. If no Groups are able to host an even month, then the location of ASC defaults to Stevens Point.
- 3.04** It will be the responsibility of the NCWASC to identify and resolve conflicts in upcoming meeting dates. In an emergency the Chairperson will be responsible for necessary arrangements.
- 3.05** During the NCWASC meeting there will be time to discuss group topics/challenges mentioned in the group reports. Topics can range from challenges individual groups would like help or feedback about to more general topics. Assisting groups in areas where they are struggling will be the top priority. Discussion will begin with a brief explanation of the topic by the GSR that raised it followed by the Chairperson asking three (3) questions to focus the discussion:
1. Does anyone else have experience with this topic?
  2. What does our literature say?
  3. Should we ask for guidance from WRSC or NAWs?
- Speakers will then be recognized by the Chairperson and will have a two-minute time limit. No one may speak twice on a subject until everyone who wants to speak for the first time has spoken. The Secretary will record the outcome of any discussions and any solutions to group issues reached.
- 3.06** The following agenda will be the normal order of business:
1. Call to Order
  2. Service Workers Prayer
  3. Reading of the Twelve Traditions and Concepts
  4. Roll Call of GSR's and Trusted Servants
  5. Recognition of any new group
  6. Approval of last month's minutes
  7. 7<sup>th</sup> Tradition
  8. Group Reports
  9. Discussion of Group Topic Trusted Servant Reports
  10. Break
  11. Nominations/Elections of vacant positions

16. Announcement of next month ASC location
17. Adjournment

#### **Section Four: Decision Making**

- 4.07** If any GSR feels that a decision is so important that it needs to go back to the groups for a group conscience, then that motion will be tabled until the next meeting and voted in old business by GSR's. When a decision goes back to groups for guidance, any NCWASC member can participate in their home group's conscience ensuring that their voice is heard through their GSR.
- 4.08** Any motion to change the area guidelines must refer to the section and the line item of the guidelines to be changed.
